Public Notice

The sale of forest produce used to be conducted by the Forest Development Corporation of Maharashtra Limited (FDCM) through e-auction process through the Authorized Service Provider (ASP) namely M/s. Sparsh Technologies. However, due to technical reasons, the FDCM is in the process of switching over to another ASP and developing the system for e-auction afresh.

Till the development of new system, the sale of forest produce shall be conducted through the traditional ground auction method from 1st January, 2022 onwards. All concerned shall be duly communicated once the new system is made operational.
